Dear Steve and Jonathan,

Just wanted to tell you both how pleased we are that this is now finally resolved and what a coincidence that it was on the 2<sup>nd</sup> year anniversary of the fire.

Jeremy , Ernest and myself were very impressed with the way you handled the meeting on Wednesday.

We didn't get chance to thank you on the day Jonathan, as you had to leave, but you were very impressive and we were glad you were on our side.

Have a good weekend and thanks once again.

Very kind regards

Tracy
