Dear Paul

I would just like to thank you for all your help with our insurance claim.

When Innovent one of our subsidiaries in Lewes, East Sussex, was devastated by the flood we were so thankful that we were able to rely on your knowledge and assistance in formulating our claim.

Throughout the inevitable 18 months of negotiations we have always found you and all your colleagues at Harris Claims Group plc to be helpful, and I am sure we would not have achieved the satisfactory financial outcome without you.

Many thanks.

Kind regards  
Yours sincerely  
FOR LTT VENDING GROUP LTD
